RE: LETTER OF AGREEMENT

Dear Mr. Guttman:

The Guidance Clinic of the Middle Keys, Inc. (GCMK), hereby enters into an agreement with Elanjess LLC to provide coordination and transportation services for Baker Act/Marchman Act (BA/MA) clients throughout Monroe County and to/from Miami-Dade County as required. The effective term of this agreement is October 1, 2004-September 30, 2005.

GCMK will supply Elanjess with two vehicles, one Chevrolet Caprices meeting Elanjess maintenance specifications; to be stationed in Key West at an Elanjess location and a Ford Taurus to be stationed in Marathon at GCMK headquarters.

In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the County and PROVIDER agree that venue will lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida.

The County and PROVIDER agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between any of them the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

35. NON-WAIVER. If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. EXPENSE REIMBURSEMENT REQUIREMENTS

This document is intended to provide basic guidelines to Human Service Organizations, county travelers, and contractual parties who have reimbursable expenses associated with Monroe County business. These guidelines, as they relate to travel, are from Florida Statute 112.061.

A cover letter summarizing the major line items on the reimbursable expense request needs to also contain a notarized certified statement such as:

"I certify that the attached expenses are accurate and in agreement with the records of this organization. Furthermore, these expenses are in compliance with this organization's contract with the Monroe County Board of County Commissioners."

Invoices should be billed to the contracting agency. Third party payments will not be considered for reimbursement. Remember, the expense should be paid prior to requesting a reimbursement.

Only current charges will be considered, no previous balances.

Reimbursement requests will be monitored in accordance with the level of detail in the contract. This document should not be considered all-inclusive. The Clerk's Finance Department reserves the right to review reimbursement requests on an individual basis. Any questions regarding these guidelines should be directed to 305-292-3534.

Data Processing, PC Time, etc.

The vendor invoice is required for reimbursement. Inter-company allocations are not considered reimbursable expenditures unless appropriate payroll journals for the charging department are attached and certified.

Payroll

A certified statement verifying the accuracy and authenticity of the payroll expense is needed. If a Payroll Journal is provided, it should include: dates, employee name, salary or hourly rate, total hours worked, withholding information and payroll taxes, check number and check amount. If a Payroll Journal is not provided, the following information must be provided: check amount, check number, date, payee, support for applicable payroll taxes.

Postage, Overnight Deliveries, Courier, etc.

A log of all postage expenses as they relate to the County contract is required for reimbursement. For overnight or express deliveries, the vendor invoice must be included.

Rents, Leases, etc.

A copy of the rental or lease agreement is required. Deposits and advance payments are not allowable expenses.

Reproductions, Copies, etc.

A log of copy expenses as they relate to the County contract is required for reimbursement. The log must define the date, number of copies made, source document, purpose, and recipient. A reasonable fee for copy expenses will be allowable. For vendor services, the vendor invoice and a sample of the finished product are required.

Supplies, Services, etc.

For supplies or services ordered, a vendor invoice is required.

Telefax, Fax, etc.

A fax log is required. The log must define the sender, the intended recipient, the date, the number called, and the reason for sending the fax.

Telephone Expenses

A user log of pertinent information must be remitted including: the party called, the caller, the telephone number, the date, and the purpose of the call.

Travel Expenses

Travel expenses must be submitted on a State of Florida Voucher for Reimbursement of Travel Expenses. Travel must be submitted in accordance with Florida Statute 112.061. Credit card statements are not acceptable documentation for reimbursement. If attending a conference or meeting a copy of the agenda is needed. Airfare reimbursement requires the original passenger receipt portion of the airline ticket. A travel itinerary is appreciated to facilitate the audit trail. Auto rental reimbursement requires the vendor invoice. Fuel purchases should be documented with paid receipts. Taxis are not reimbursed if taken to arrive at a departure point: for example, taking a taxi from one's residence to the airport for a business trip is not reimbursable. Parking is considered a reimbursable travel expense at the destination. Airport parking during a business trip is not.

A detailed list of charges is required on the lodging invoice. Balance due must be zero. Room must be registered and paid for by traveler. The County will only reimburse the actual room and related bed tax. Room service, movies, and personal telephone calls are not allowable expenses.

Meal reimbursement is: breakfast at \$3.00, lunch at \$6.00, and dinner at \$12.00. Meal guidelines state that travel must begin prior to 6 a.m. for breakfast reimbursement, before noon and end after 2 p.m. for lunch reimbursement, and before 6 p.m. and end after 8 p.m. for dinner reimbursement.

Mileage reimbursement is calculated at .29 cents per mile for personal auto mileage while on County business. An odometer reading must be included on the state travel voucher for vicinity travel. Mileage is not allowed from a residence or office to a point of departure. For example, driving from one's home to the airport for a business trip is not a reimbursable expense.

Non-allowable Expenses

The following expenses are not allowable for reimbursement: capital outlay expenditures (unless specifically included in the contract), contributions, depreciation expenses (unless specifically included in the contract), entertainment expenses, fundraising, non-sufficient check charges, penalties and fines.
